Dear Mr. de Voogd

In reply to your request dated 30.09.2016, again we have to answer that we have nothing to add to our previous replies regarding the activity of OÜ Funderbeam and its tokens.

Also we want to assure to you that all market entities are treated equally, in your particular interest, all bitcoin traders who are offering services that fall under the definition of Estonian AML law § 6 sec 4, have to fulfill the requirements of the law.

Yours sincerely
